Gearing up for winter!

The clocks have changed, the temperature is dropping and winter is officially round the corner. But there's no reason a little cold weather needs to stop those pedals turning! As we saw when we headed out for our Halloween ride - more on that later!

Although there may need to be some additional layers, we're still heading out and turning bike miles into big smiles here at the Hub. As well as our usual bike maintenance and practice sessions, we still have Hub Club running too; our weekly youth sessions where your young people can come along and learn how to make minor tweaks on their bikes with the expert help of our mechanic, Stuart. Drop-in sessions every Wednesday, 3-5pm.

As always, we hope to see you at the Hub soon, please do pop in and say hi if you're passing :)

Halloween Ride

There were spooks and spokes as we took to the streets for our Halloween ride! We donned our fancy dress and made our way round the spooky sights of Yate on a 3 mile ride. We were joined by 13 riders (including a dragon!) and took a leisurely spin around the local area before heading back to the Hub for a hot chocolate!
Thanks to all who joined us!

Half-term fun

Half-term was packed with lots of spooky fun at the Hub, with artist Tamzin (@artbytamzin36) returning to guide our young people through their very own artistic creations. We had a sell out session with lots of spooky ghosts and pumpkins made!

Christmas Lights Ride

Build your own bike

We're delighted to announce that we're holding our 'build your own bike' session again this year. So if you're planning on buying a bike for your little one that needs building before the big day, book yourself a place on our 'build your own bike' session. You can come along to the Hub and build your bike under the watchful eye of our very own helpful elf mechanics.
You can then take your bike home safe in the knowledge that the handlebars and brakes are on the right way and it's safe for your little one to ride!
Book your space via Eventbrite.

Temporary Hub closure

Please note, we will be closed week commencing 23rd November to carry out some much needed maintenance. We look forward to welcoming you all back on Saturday 28th November, 10am-3pm.

Yate Community Bike Hub

You're receiving this email because you have volunteered, enquired about or attended an event at the Yate Community Bike Hub. If you no longer want to hear from us please click the link below and you'll be removed from the mailing list right away :)
